**Psyc 304 Laboratory Syllabus**

**Page 2**

**Grading:**

An APA paper is required on the Taste Aversion Experiment. This paper is worth 115 points. The paper is due at the beginning of class. Late papers are reduced a letter grade per week or fraction of the week they are late. If the grade on this paper is a C or below, you may do a paper on the Stress Induced Analgesia Experiment and the higher grade will be used.

**Points:**

|               |                              |
|---------------|------------------------------|
| 115 pts       | Taste Aversion Paper         |
| 10 pts        | Position Paper               |
| 25 pts        | Method & Results Section (2) |
| <u>10 pts</u> | Quiz                         |
| 160 pts       | Total                        |

Handling of animals is NOT required but strongly encouraged.
