The textbook is Psychology, fourth edition, by Bernstein, Clarke-Stewart, Roy and Wickens. There will be three (3) exams, all objective, each counting one third (1/3) of your grade. Grades will be assigned as follows: 90 to 100=A; 80 to 89=B; 70 to 79=C; 60 to 69=D; less than 60=F. Each student is required to complete five (5) hours in a research project. Sign-up sheets are in David King Hall next to the Psychology Department. Credit can also be gained by attending lectures on various research subjects. There is a penalty for not completing the five (5) hours and for signing up for a study and failing to show up. Extra credit will be given for completion of one (1) to two (2) extra hours. Office hours will be on Monday at 11:35am or by appointment in David King 1004. You can also reach me by phone at (301)593-3355.
